PJTAU has signed a MoU with Kansas State University, USA for collaborative research, student and faculty exchange. Under this MoU, imparting Short term trainings/research for a period of 1 - 4 months to faculty of PJTAU has been agreed by KSU. The core objectives of this activity are to :-

- Enhance teaching and research capabilities of PJTAU faculty.
- Provide exposure to advanced technologies, methodologies, and global best practices.
- Facilitate academic collaboration and networking with international experts.
- Strengthen institutional partnerships between PJTAU and KSU.

Hence, the interested teaching faculty who are below 50 years of age (as on 01-10-2026) are informed to identify their area of expertise with supporting research publications by browsing the faculty profiles and research programs of the College of Agriculture and the Department of Grain Science and Industry at KSU, and identify the research areas / advanced technologies / facilities available for Expression of Interest (EoI)-II.

The faculty are encouraged to identify their area of interest preferably in deficit and emerging thrust areas of Agriculture and Food Science, so as to maximize the benefit of this training to the University. Illustrative (not exhaustive) priority areas include: new advances in Agriculture and Food Science; Digital Agriculture and Precision Farming (remote sensing, farm mechanization and automation); Artificial Intelligence, Machine Learning and Big Data Analytics in Agriculture; Climate-Smart Agriculture and Natural Resources Management; Post-Harvest Technology, Grain and Food Science; Sustainable and Climate-Resilient Cropping Systems; Integrated Pest and Nutrient Management; Water Use Efficiency and Micro-Irrigation; Value Chains and Market Intelligence; and Renewable Energy applications in Agriculture.

The faculty interested to undertake short term research/training in their chosen area of expertise at KSU, USA keeping in view the research priorities of PJTAU and KSU are requested to submit EoI-II application (proforma enclosed) along with relevant documents thorough proper channel to the university on or before **07-11-2026** for further processing by PJTAU and KSU with a copy marked to Director, International Programs, PJTAU.

In view of the above, all the officers in the address entry are requested to circulate the above to all the teaching faculty working under their control.
