PROFESSOR JAYASHANKAR TELANGANA AGRICULTURAL UNIVERSITY
ADMINISTRATIVE OFFICE: RAJENDRANAGAR, HYDERABAD-500 030

1) INTRODUCTION:

The Journey of PJTAU was began with the establishment of Andhra Pradesh Agricultural University (APAU) on June 12, 1964 under the Andhra Pradesh Agricultural University Act, 1963. Founded on the Land Grant Model after independence in the united A.P. The University was dedicated to the farming community by Shri Lal Bahadur Shastri, the then Prime Minister of India on March 20, 1965. The administrative building programme was inaugurated by Smt. Indira Gandhi, the then Prime Minister of India on June 23, 1966. Over the decades, the institution evolved, being renamed as Acharya N.G. Ranga Agricultural University (ANGRAU) in 1996 and later renamed as Professor Jayashankar Telangana State Agricultural University following the bifurcation of Andhra Pradesh in 2014. This University happens to be part of the united APAU/ANGRAU with it's original roots established at Rajendranagar with the blessings of eminent personalities such as (Late) Sri Sarvepalli Radhakrishnan and (Late) Sri. Lal Bahadur Shastri.

The University has been accredited by the Indian Council of Agricultural Research (ICAR) with grade 'A' and recognized by the University Grants Commission (UGC) as a State University and is empowered to award degrees in regular mode with the approval of the concerned statutory bodies/councils, wherever required. PJTAU is an ISO 9001:2015 certified organization following the Quality Management System prescribed under the standard.

The University provides education through thirteen (13) constituent colleges (ten in Agriculture, two in Agricultural Engineering & Technology and one in Community Science). In addition, there are nine constituent polytechnics (eight in Agriculture, one in Agricultural Engineering) offering diploma programmes. The University offers 4 UG programmes, 23 PG and 16 Ph.D. programmes. The Post graduate programmes in Agriculture are offered at College of Agriculture, Rajendranagar, Agricultural College, Polasa, Jagtial, College of Agricultural, Engineering, Kandi, Sangareddy, College of Community Science, Hyderabad and Agricultural College, Aswaraopet. The University offers the PG students the opportunity to work across agro climatic zones of the State in its 15 Agricultural Research Stations, including three Regional Agricultural Research Stations (RARs) representing three agro-climatic zones. The University conducts outreach programs transferring research technologies through twenty three (23) *Telangana Rythu Vigyan Kendras* (TRVK), eight *Krishi Vigyan Kendras* (KVKs), one each of Extension Education Institute (EEI), Agricultural Information and Communication Centre (AI&CC), Agricultural Technology Information Centre (ATIC) and Electronic Media Wing which gives scope for social science students to conduct real time intervention and impact studies. The PJTAU has productive collaborations with several premier institutes such as ICAR institutes, NRSC, ICRISAT and agri based industry facilitating PG and Ph.D. research under the mentorship of accredited faculty.

PJTAU has strived to build a talented pool of future research leaders and was the first University to admit students through the national level ICAR entrance exam from 2018. The University has achieved national recognition through the NIRF ranking (PJTAU is ranked 24th among 145 State/ Central /National / ICAR/ Private Universities of India in Agriculture and Allied Sector and 18th rank among 40 Agricultural Universities in India). Commitment to quality in all work spheres was evidenced by the ISO 9001:2015 for the administration and ISO 17025:2017 certification for its Pesticide Residue and Quality Control labs. PJTAU also boasts of an Agritech incubator, Aghub, a section 8 company that nurtures Agri-preneurship in emerging tech domain with 103 prospective Start-up ventures. The University also holds the distinction of being first institute in the country to be cleared by the DGCA to carry out research in drone applications in agriculture by establishing a Drone Academy, besides undertaking capacity building of rural youth and other partners in the area.

Dedicated research grants to the tune of Rs.40,000/- per PG and Rs.1,00,000/- per Ph.D. student have been allocated to enable interdisciplinary and problem-solving research since 2019. In addition, currently certain industries are also extending fellowships to the research scholars. The students will also gain from the talks by eminent researchers through many national and international seminars and conferences that PJTAU organizes and co organizes.
